JANUARY PARENTING TIP:

Let them solve simple problems. If you see your child trying to assemble a toy or get a book from a shelf that they can reach if standing on a step stool, pause before racing over to help. Provided that they are safe, the moments when you don't rush in, when you give children a moment to solve things for themselves, those are the character-building moments.

IN THE NEWS - UPDATES

Graysmark Academy welcomes everyone back after the winter break. It is now time to start think about enrolling students for the 2013-2014 school year. We will have our re-enrollment for continuing students January 11-18th and open enrollment for new students January 22 - February 1st. Please stop by the front desk if you have any questions.

We hope your holiday time was joyous and relaxing. We are excited to have our students returning to class. We would also like to welcome new ones for 2013 and get our classes working again! We have lots to do!

Thank you for all the wonderful gifts we received under our Giving Tree in December. Each gift is very much appreciated and will be put to good use!

Please remind your children to take home their jackets and coats each day. If they forget them after school we will have a lost and found box in the Preschool. Please label your child's jackets and coats, etc.

Martin Luther King, Jr. Day is Monday, **January 21st**. Please mark your calendars as school will be closed.
